Faces In The School

3

1

2

4

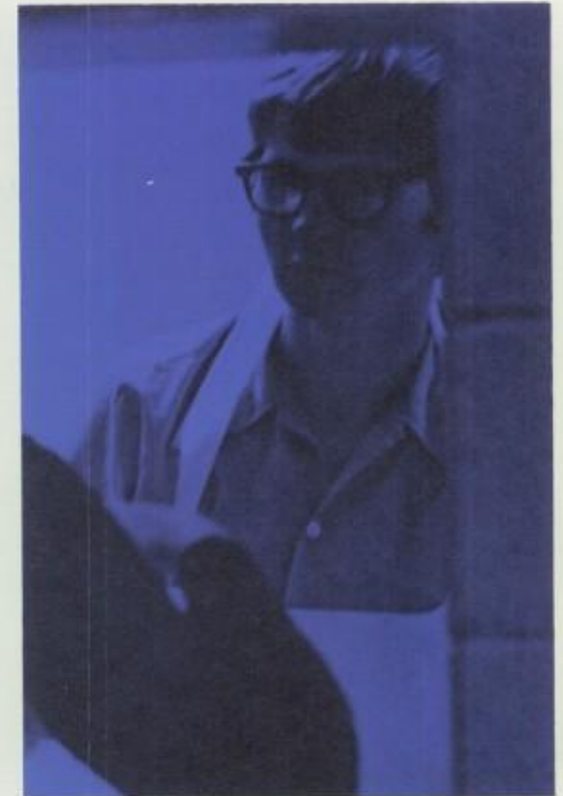

5

6

The life in Saline High School has changed over the years, but not very much. The faces have changed, but not the enthusiasm. People are expressing themselves more than ever. Yes, the faces will always express life at Saline High School. Let's hope it will go on . . . forever. (and forever is a long time.)

7

1. E. Logan takes a break during the Saline-Chelsea football game. Saline routed the Bulldogs 27-0. 2. S. Culliton hard at work on her Research Seminar homework. 3. D. Arnold walking quickly to his third hour class. 4. K. Corson reading his favorite book; JACK AND JILL. 5. F. Girbach telling it like it is. 6. M. Keller staring on to page 10. 7. R. Geno collects lunch trays while dodging the water being splashed at him.

Homecoming 1976

1

Hornet spirit was high as the 1976 Homecoming Parade kicked off the game against Dexter. With the theme of Cartoon Characters, the floats led the Homecoming activities which climaxed with the crowning of the 1976 Homecoming Queen, Denise Looker. As the end of the game with the Dreadnaughts neared, the crowd's enthusiasm dwindled as the Hornet football team was defeated, 22-16.

5

7

8

1. J.V. Cheerleaders show enthusiasm before the Dexter game. 2. The second place Sophomore float, "Eat 'Em Up," passes the crowd at halftime. 3. The third place Senior float, "Crush 'Em," rumbles around a corner in the Homecoming Parade. 4. Band members take a much deserved break after strenuous halftime activities at the Homecoming celebration. 5. The Junior class float, "Marmaduke," buries the Dreadnaughts in the Homecoming Parade, but the effort only netted the Juniors fourth place. 6. The class of '79" begins the construction of the "Cookie Monster." 7. In their first year, the Freshmen captured first place with their float, "Sink the Dreadnaughts." 8. R. Dunny leaves the field after scoring. 9. World famous model, B. King, gets the finishing touches by J. Hart.

6

Some things never change, like the amount of excitement Saline Hornets have during Homecoming week. The bonfire started the suspenseful week with the announcement of class representatives, and queen hopefuls. Everyone's excitement rose at the Pep Assembly when Mr. Pretty Legs was crowned. To top off this eventful week we all enjoyed the annual Homecoming Dance.

7

8

1. 1976 Homecoming Court. 2. B. Paine, S. Murphey, S. O'Connor, L. Frey, C. Skinner were the boys chosen to represent their class in 1976. 3. S. O'Connor bares his winning leg. 4. S. O'Connor receives honor as Mr. Pretty Legs. 5. H. Powell entertains at Homecoming Dance. 6. K. Krueger and A. Dunny enjoy music. 7. D. Newman, P. Meyer, L. Vogel, and S. Struble surround the smiling queen, D. Looker. 8. Proud father and B. Paine look on at the queen, D. Looker.

It's Our School

6

The whole equals the sum of its parts, and the same is true with our school. The students are showing their appreciation by the fact that they are the ones who make the school what it is. Saline students have been in a school that they can be proud of.

9

10

1. S. Christner expresses herself. 2. D. Larson tries to make it known. 3. S. Winkler points out the direction of Detroit. 4. D. Rider taking a quick nap before school. 5. L. Clark laughs at the teacher's speech. 6. P. Steiner looking for something to do. 7. P. Murphy acting "Worthless." 8. M. Braden looking at a friend's test. 9. T. Burger showing good form. 10. Student looks on so he will know how to do it.

... And Welcome to It.

Activity period offers a wide variety of opportunities for S.H.S. students. The cafeteria, gym, and library are open for use to all students. The cafeteria lets students unwind with friends while the library is for students who desire a quiet place for study. Students also may participate in intramural activities, such as volleyball, basketball and floor hockey, or individual sports in the gym. Students may also spend this time getting individual help from a teacher or making up missed work.

In every team there are outstanding performers and the 1976 Golf team was no exception. Chris Johnston led the team with a match average of 42.9. Johnston was followed by Joe Chase at 43.2. Johnston and Chase also carded the lowest scores at 36, but were pushed closely by Jeff Little who shot a 37.

There always has to be someone to sit on top, and in this year's S.E.C. golf action it was the Hornet Linksters who, sporting an overall record of 8-5-1 and a league mark of 7-4-1, took home the trophy. In getting to the top the golfers outshot their opponents 1519 to 2423 and beat the odds in the league meet.

Golfers Edge Dexter: Take Home Trophy

Even though they took it in the most unorthodox fashion, Saline's Golfers captured the S.E.C. crown for 1976. Edging out Dexter by one point, the Hornets finished the season with the trophy by winning in the league meet. Probably one of the keys to Saline's success was the individual

3

performances of the team members. This very point was illustrated when Mike Drake played an outstanding round to finish 4th in the league meet. In the regular season he had the lowest 9 hole putting average on the team with a 15.5 and was followed closely by Joe Chase at 16.0.

In the physically demanding sport of cross country Saline's Harriers have come through with a fine 6-2 overall record and a 4-2 conference mark, good for a second place tie with Chelsea. Outscoring their opponents 193 to 291, the Hornet Harriers consistently ran their best times in all of their meets to capture their second place finish. Besides this, the team's Freshmen took the 1st place team trophy in the Manchester Invitational.

As individuals, Saline's Cross Country runners were also tough. Glen Hart, only a freshman, consistently ran good times throughout the year finishing first among Hornet runners in 4 out of the 8 meets he ran in. Besides this, he also took the first place trophy from the Manchester

Playing under the motto of, "A man's dedication is the true measure of his greatness" (V. Lombardi), the Hornet Varsity Football Team finished the 1976 season with an overall mark of 5 wins and 4 defeats, taking fourth place in the Southeastern Conference with a league mark of 3-3. The Hornet offensive unit tallied 2,198 yards bettering their opponents total by more than 400 yards, while the defense was busy picking off 8 interceptions and recovering 15 of their opponent's 20 fumbles.

Individually, Saline's Gridders were also strong with Jim Haeussler leading the defensive squad with 227 defensive points followed by Randy Dunny - at 158, and Scott Guenther close behind him with 156. Offensively

the Hornets also showed their form, with Mike McGuire completing 41 of 103 passes, while Jim Haeussler led Hornet ball carriers with a 53 yards per game average.

Late Season Losses Hurt Hornets

In the beginning of the 1976 season the Hornets looked to be on their way to an undefeated season after downing Taylor Center, South Lyon, and Milan for three successive wins. A freak play which produced a touchdown in the Novi game dashed these hopes, however, and started a futile three

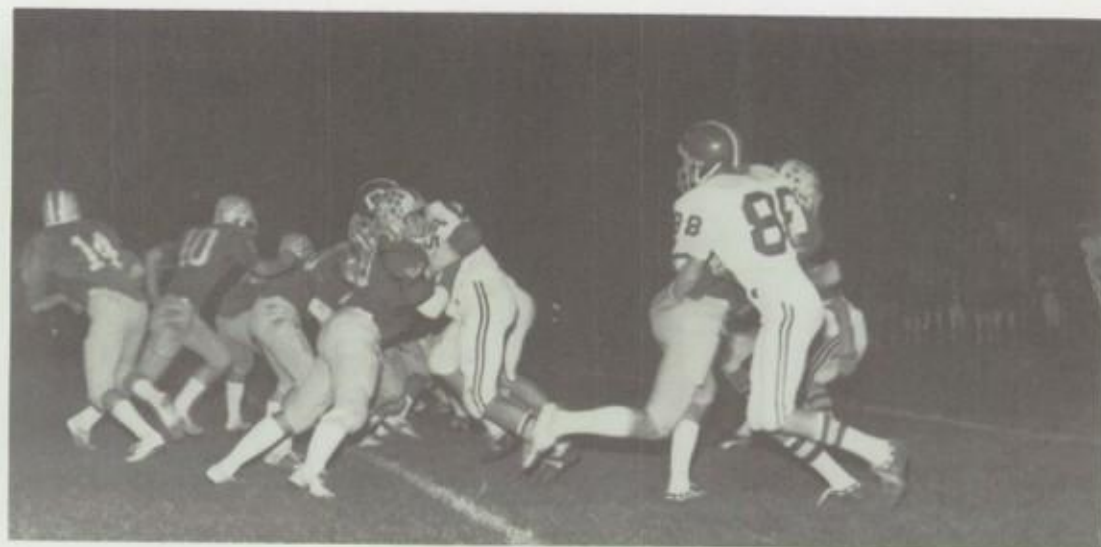

game losing streak that accounted for all three of the Hornet's conference losses. The Gridders then rebounded to win their next two games against Port Huron and Chelsea, but fell victim to a tough Blissfield team to end the season on a sour note.

In the individual statistics department the Hornets also proved to be strong, with Tony Corona setting a new school record of 20 pass receptions, two more than the old record set by Pat Gill in 1971. The Hornets had an

excellent defense which saw both Ed Toth and Steve Kendzicky come through with 122 defensive points and Brad Myers tally 107.

The team rushed for 1,221 yards while adding 422 in the air. Chuck Cammet was leading rusher picking up 432 yards. Steve Winkler picked up 392 yards good for an average of 6.1 per carry. Mark Tommelein, the starting quarterback, threw the ball 60 times completing 30 of them. His favorite receiver was Mike Prindle as he caught 17 passes for 280 yards. Matt McGuire had a receiving average of 16 yards per catch.

The defense had held their opponents to only 34 points until they played Ida, who scored 36 points.

This year's squad will really help out next year as they take their talents and hustle with them to the varsity level.

The Girls' Varsity Basketball team had a remarkable season in 1976. Led by individual improvement throughout one team, Saline's girls sports program took another giant step forward.

The girls finished their season with an overall record of 10-6 and a league record of 8-4, good for a 2nd place finish in the conference. The girls scored a total of 717 points for the season, averaging 42 per game.

Marcia Braden led the team in scoring with 190 points, followed by Bev Benson with 121 and Lynn Lauterwasser with 98. The highest shooting accuracy was 66% by Braden. She made 56 out of the 85 she shot. Benson and Lauterwasser followed her with 44% and 41% respectively. Braden was also named to the first team all Southeastern Conference while Ann Slepisky received an honorable mention.

The J.V. Cagers lost their first game of the season to South Lyon but it only inspired them to work harder. Hard work paid off and they won their

next four games including a spectacular 51-20 win over Milan and a 33-31 tight squeeze with Adrian. The girls went on to win seven more games leaving them with an 11-4 overall record.

Leslie Phillips was named as the team's high scorer while Alicia Jahnke had the most rebounds.

For the second time in as many years the Saline High School Wrestling squad has come home with the S.E.C. trophy, soundly defeating all their opponents for an 8-0 dual meet record. Predicted to finish high up in the league from the very beginning, the wrestlers did not disappoint the area sports writers, defeating their opponents by a 25 point margin in almost every meet.

Probably one of the biggest reasons for this second year success was the amount of returning talent that was seasoned on last year's championship squad. Of the 13 weight classes in High School wrestling all but 5 were filled by returning lettermen, all of whom placed at the league meet.

After another long and punishing season Saline's Grapplers have done it again - for the second year in a row they have captured the S.E.C. crown, out wrestling all of their opponents for an 8-0 dual meet record. Posting average scores of 43-18 they dominated all the teams they met, bettering their nearest competitor by 55½ points at the league meet.

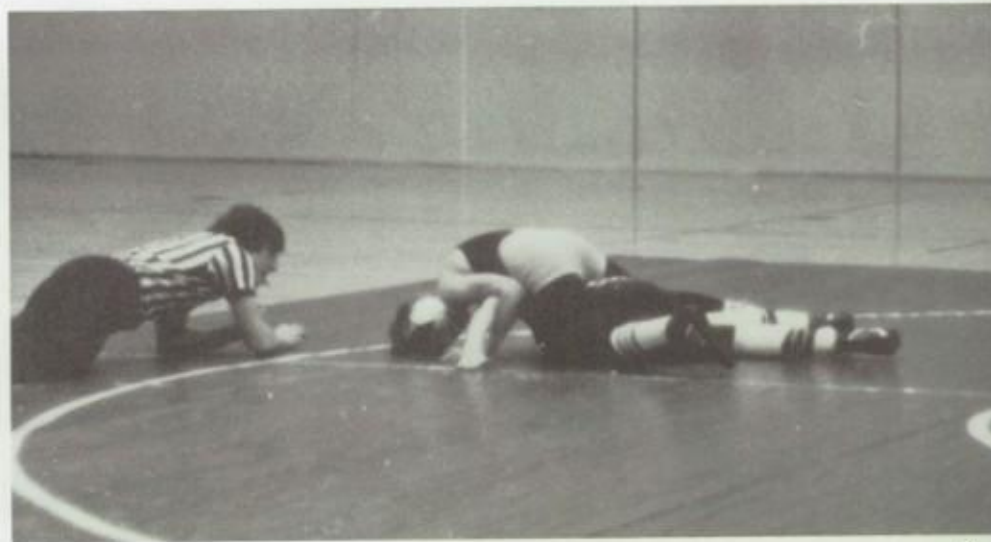

One reason that the wrestlers have experienced so much success this year is the talent that has been so prevalent in Saline Wrestling. For example, out of the 13 entries Saline had at the league meet 11 took medals, 6 of which were gold. The six champions were Victor Alaniz at 108 pounds, Chris Johnston at 115, Bob Faiman at 158, Scott Guenther at 168, Jim Haeussler at 194, and Doug Crosbie at the heavy weight division.

It happened in the most unorthodox fashion, but the Saline High School Basketball Team was the 1976-77 S.E.C. champions, finishing the season with a 10-2 league record and a 15-5 overall mark. What made the finish so unlikely was that the Hornets were two time losers to Milan, the team that they eventually took a one game advantage over in the final standings. This odd circumstance was brought about by a combination of upset victories that were often present in the always unpredictable S.E.C.

Of course, one of the things that helped bring about the Hornets almost miraculous championship was individual players outstanding performances. Obviously, these performances led to a score of expressive statistics for the Hornets. They set a new school record for the most field goals scored in a game dropping in 45 against Dexter in the two teams last meeting for the season. The Hornets also pulled down a total of 785 rebounds to outdistance their opponents in that department by 81.

Finishing with a 10-2 league record that was good for a S.E.C. championship the Saline Hornets had a satisfying cage season, despite an agonizing two point loss to the Milan Big Reds in the district finals. The long, twenty game basketball season proved to be a good one for Hornet fans and players, especially since there was some gold at the end of the rainbow.

Hornets Find Gold at End of Long Cage Season

5

Even though Saline exhibited some disciplined team play at times, the basic winning formula for the Hornets seemed to be due more to individual performances. One particularly outstanding cager for the Hornets was Junior Mike McGuire, who led the team in four statistical areas: points, rebounds, blocked shots, and assists, getting 305, 200, 29, and 77 respectively. Another leader for the Hornets was Jay Jahnke, who led the team in recoveries, grabbing the ball 70 times. Senior Steve Kendzicky, voted the most improved player by his teammates also contributed much to the teams total effort.

The Junior Varsity ended the season with a 12-5 record. This might not seem that good to Coach Sippell who has had previous seasons of 20-0, 19-1, and 15-3; yet this team succeeded in being Co-Champs of the S.E.C. and broke three team records while setting two individual marks also.

The J.V.'s season was characterized by great individual efforts. Mark James broke the two individual records as he shot an incredible 81% from the foul line and set the assists record by collecting 74 for the season. He also shot 52% from the floor which was also the best on the team, while averaging 12.2 points a game. Chuck Fosdick one of the forwards had a scoring average of 9.7 a game which is second best on the team. He also collected 121 rebounds. Leonard Frey co-captain of the team was credited with 64 recoveries, while also picking up 56 points a game. He also hit on 68% of his foul shots and picked up 90 rebounds.

As a team they broke three records, the first was from the foul line where they sank 257 of 372 attempts for 69%. They then had 441 recoveries and shattered the assists mark by getting 342 for the season. The team also shot 42% from the field and outscored their opponents by an average of 11.1 points a game. The Hornets had a rebounding edge over their opponents by getting 708 to the opponents 566.

This year's squad played good basketball and played well together as a team. Coach Sippell was pleased with the team's accomplishments over the season. If they keep playing together as a team they should really help the varsity out in their upcoming seasons.

This year under the direction of Coach Marcero the Freshman Basketball team achieve perfect season of 15-0. With Marcero stressing a tight man to man defense and a lot of hustle the Hornets outscored their opponents by more than 26 points and forced an average of 22 errors a game.

5

For the Hornets Chip Skinner was a regular starter. He averaged 15.3 points a game while hitting 71% of his foul shots. Skinner was chosen most valuable player at the Tappan Tournament which the Hornets won and brought back a trophy. Matt McGuire was probably the team's most improved player. He led the team in rebounds averaging 15.3 a game. He also had an 11.9 scoring average. McGuire led the scoring in the last four games with 20 points a game. John Kendrick and Rich McKee also started and performed consistently for the Hornets. They were both picked as All-Stars in the Tappan Tournament. Kendrick shot over 50% from the floor and had an average of 11.4 points a game. McKee was second on the team in rebounds. The other guard consisted of one of three players Scott Rentschler, Mark Theisen, and Jim Vanderpool all started at times during the season. Rentschler and Theisen were noted for the fine defense and great hustle; they both collected 24 assists while Rentschler had the second best shooting percentage with 47.0%.

As for a team the Freshmen had some good statistics. They shot 41% from the field, compiled 188 assists, and averaged 6 less errors than their opponents.

In the future there may be only one obstacle that will get in the way of their continuing success. In the previous years teams have failed in only one way, and that is their attitude. If they can keep a good attitude and keep from getting overconfident they could show real promise in the future.

-------	----------	--------

The Varsity Volleyball team did a fine job this year in bringing home a second place finish in the Southeastern Conference with a league record of 8-3.

They finished the season with an overall mark of 17-4, losing three of those games to Brighton. The fourth was to Tecumseh in the pre-regionals.

The team's leading spiker was Ann Slepisky with 227, followed by Becky Hahn with 121. Becky was also the chief setter for the team. Ann was also named as the top blocker with 17, followed by Pam Butler with 16. Wendy Roughton was the best server; she also led with the most serves.

When asked about this year's volleyball season, Coach Smith simply replied, "We had a terrific season, but Brighton was definitely our downfall." Losing three games to Brighton was certainly hard to live with considering Brighton is a class A school. Coach Smith said that although they'll be losing four seniors next year, there are four J.V. players that will take their places with the same ability. Height is also a plus for next year's team. The girls' spiking techniques improved greatly when they began using a new open-handed method. These three factors, along with a lot of hard practice, assure another great volleyball team next year.

Saline's J.V. Volleyball team wasted no time in starting the season off right with four impressive wins over their opponents. The next eleven games were no different as the Volleys ended their season undefeated, placing them in first place in the league.

This year's top spiker was Kerri Keniston with 59, while Joanne Scollard led the team in soft setting. There was a tie for the best server between Cheryl Dunny and Tami Maloka. Each girl made 88 of her serves good.

"The Buck Stops Here"

As in the past few years the Administration and School Board were faced with the problem of an expanding school system. Student enrollment in Saline Area Schools increased by over 100 pupils in the 1976-77 school year to 3,347 students.

They are continuously seeking effective ways to smooth over difficulties and formulate policies which meet the demands of the community and the students. The smooth operation of our school district rests primarily on the shoulders of these able men and women. Every day the results of their efforts can be seen in directions for the betterment of our educational facilities.

We've
probably
helped your
parents...
and your grandparents.

That's our job — helping people. If you were born and raised here in Saline, chances are pretty good that we've provided some of our help for your parents. And your grandparents as well. Now, as you graduate and start off on your own or continue your education in college, we want to carry on the tradition by helping you too. And we can do it in a surprising number of ways.

First, we provide all the usual services you expect from a full-service bank. We offer a good variety of checking and savings plans to fit every need. And we make all types of loans for all types of purposes to both individuals and businesses. We also provide safe deposit facilities, money orders, travelers checks and many other services.

Then we provide personal financial consultation for our customers.

Thousands of people have come to us over the years seeking advice for their financial problems. We've always been happy to oblige. Sometimes we can't help. Most of the time we can.

And finally we provide something that's intangible and difficult to define. It's a special attitude toward people. We are friendly, but not syrupy. We are concerned with our customers problems, but not pushy with possible solutions. We are sincere, but not solicitous. When you've been in the banking profession for over two generations, you know from experience how people want to be treated.

**It's really quite simple.
The Saline Bank
likes to help people.**
